RELEASE STATEMENT

The sports camps have adopted the following procedures for caring for your child when he/she becomes sick or injured while attending camp: (1) The camp will call home first. If there is no answer, (2) the camp will call the mother's, father's, or guardian's place of employment. If there is no answer, (3) the camp will call an ambulance, if necessary, to transport the child to a local medical facility. (4) Based on the medical judgment of the attending physician, the child may be admitted to a local medical facility. (5) The camp will continue to call the parents, guardians or physician until one is reached. If one cannot be reached and the camp authorities have followed the procedure described, I agree to assume all expenses for moving and medically treating the camper. I also hereby consent to any treatment, surgery, and diagnostic procedure, or administration of anesthesia which may be carried out based on the medical judgment of the attending physician.
